

2020 LMMS Band/Chorus/Orchestra Spring Trip

TRIP BEHAVIOR GUIDELINES

In preparation for the Spring Band/Chorus/Orchestra trip, it is important that each of you read, understand, and comply with all rules and behavioral guidelines as stated in this form. All students and parents must realize that: All Cobb County Board of Education rules and regulations are in effect during the trip. Any student who violates a Cobb County Board of Education guideline will be disciplined upon return to school in addition to any consequences he/she may face during the trip.

These guidelines are based on concepts of good sense, courtesy, safety and the need to be admirable representatives. For the well-being of the students during this trip, there are certain restrictions and limitations we must place on your activities that might not apply on a "family trip". Our goal is to make this event as enjoyable and rewarding, personally and musically, as possible while maintaining a safe and positive atmosphere.
