

.....from the Lost Mountain Middle School Music Department

8th Grade Fundraising

WHY WE DO IT! – It is extremely necessary and trust us, if we had a choice, we wouldn't! Teachers do not get paid more, nor is it in our job description. However, in order to deliver the music education that our students deserve, we must have additional funds available to pay for equipment, music, and services we would otherwise not be able to buy. We are given an allotment by the CCSD County Office, but we are limited as to how we can spend that. For example, we cannot pay people for services (i.e., accompanists, outside instructors) with the allotted money and fundraising allows us to provide for those who cannot do so. We do it because we feel it is necessary in order to run a quality music program and provide great experiences for our students. The LMMS Music Department has been financially supported in the past by the profits collected by our community who have purchased/sold the food products from the Encore/Cheesecake Fundraiser. Most CCSD middle schools who take a trip of this size allow their 8th grade students only a portion of their Encore/Cheesecake Funraiser 40% profits, not the full amount.

*Please remember that the Poinsettia Fundraiser 40% profits will still go entirely towards their trip and many students over the years have fundraised their entire trip taking full advantage of both of their fundraisers! **And to those of you who have participated in one way or another WE THANK YOU FOR YOUR PARTICIPATION! It has helped to sustain us over the years and we are grateful!***

HOW THE ENCORE/CHEESECAKE FUNDRAISER WORKS FOR YOUR 8th GRADER

If a student DID NOT sell their "Fair Share" of 10+ items in both their 6th and 7th grade years (not cumulative), and/or made a donation in both their 6th and 7th grade years of at least \$70 (the approximate profit of the "Fair Share", 10 items sold), then the first \$35 of profit (profit of approximately 5 items) will go to the music department. All additional profits will be applied to the student's Disney trip.

If a student sold their "Fair Share" or 10+ items in both their 6th and 7th grade years (not cumulative), and/or made a donation in both their 6th and 7th grade years of at least \$70, then all of their Encore/Cheesecake profit will go towards the Disney trip. These students DO NOT HAVE to contribute to the music department fund.
